Fares

Fares vary according to the service used, the time of travel, and the zones travelled through. The underground system is divided up into zones (1-9) radiating from the centre. Some stations are into 2 zones (e.g., 2/3), and fare depends on the direction of travel (i.e. lower zone applies when travelling inward, and higher zone applies when going outward). Some stations are outside the fare zones and have Special Fares (SF). There are special fares also for the Cable car (CC), Trams (T), and Riverbus services (W= West, C=Centre, E=East); one pier is in two zone (C/E).
